pneumatic valve J-5/2-D-2-C Part number: 151846

FESTO

5/2-way valve, bistable, pneumatically operated

Data sheet

aritime classification see certiforminal size 11.5 mm id dimension 56 mm haust-air function throttlea saling principle soft seembly position Any onforms to standard ISO 5599 anual override None O code 201 pe of piloting direct reversible prelap Positive of the pressure 2 16 b witching time reversal 8 ms operating medium Compress on operating and pilot medium control or ock resistance Shock te 60068-2-edium temperature 50 country of the pressure 10 control ock resistance 10 cont	n bar e nized (OL) cate
