## Signal lights / Rotating Beacon Rotating Mirror Beacon LED 24VAC/DC RD

i

Part No.: 885.140.75

| MECHANICAL DATA<br>Height    | 200 mm                      |
|------------------------------|-----------------------------|
| Diameter                     | 98 mm                       |
| Materials                    | PC                          |
| Materials                    | PC/ABS                      |
| Dome colour                  | Red                         |
| Housing colour               | Black                       |
| Protection category          | IP65                        |
| Connection                   | Screw terminals             |
| cross-sectional area maximum | 1,50mm <sup>2</sup> / 16AWG |
| Cable entry                  | Through hole                |
| Cable entry minimum          | d = 5 mm                    |
| Cable entry maximum          | d = 7 mm                    |
| Type of fixing               | Tube mounting               |
| Working temperature minimum  | -30°C                       |
| Working temperature maximum  | +50°C                       |
| Weight with packaging        | 415 g                       |
| Product weight               | 340 g                       |
| ELECTRICAL DATA              |                             |
| Operating voltage            | 24V                         |
| Operating voltage type       | AC/DC                       |
| Operating voltage frequency  | 50Hz                        |
| Operating voltage tolerance  | +/- 10%                     |
| Rated operational voltage    | 24 VDC                      |
| Rated operational current    | 175 mA                      |
| Rated inrush current         | <10A                        |
| Protection class             | Protection class 2          |
| Pollution degree             | 3                           |
| Overvoltage category         | II                          |
| OPTICAL DATA                 |                             |
| Light source                 | LED                         |
| Light colour                 | Red                         |
| Optical signal image         | Revolving                   |
| Service life optical         | 50,000 h maximum            |
| Rotation speed (rpm)         | 180 U/min                   |
| APPROVAL DATA                |                             |

## APPROVAL DATA

For additional installation and mounting information, refer to the appropriate user guide at www.werma.com. This printed copy is for information only and is subject to alteration.

## Signal lights / Rotating Beacon Rotating Mirror Beacon LED 24VAC/DC RD

| WEEE                          | Yes                   |
|-------------------------------|-----------------------|
| Conforms with RED directive   | No                    |
| Conforms with ATEX-directive  | No                    |
| Conforms with CCC-Ex          | No                    |
| Conforms with CCC             | No                    |
| Conforms with UL              | No                    |
| Conforms with FCC             | No                    |
| Conforms with IC              | No                    |
| EAC certificate available     | Yes                   |
| Conforms with UKCA (Importer) | Yes (WERMA (UK) Ltd.) |
| Conforms with CMIM            | No                    |
| Conforms with AS-I            | No                    |
| Conforms with DNV             | No                    |
| Conforms with RoHS CN         | No                    |
| Conforms with VdS             | No                    |
